Period for Reply

A SHORTENED STATUTORY PERIOD FOR REPLY IS SET TO EXPIRE 3 MONTH(S) OR THIRTY (30) DAYS, WHICHEVER IS LONGER, FROM THE MAILING DATE OF THIS COMMUNICATION.

- Extensions of time may be available under the provisions of 37 CFR 1.136(a). In no event, however, may a reply be timely filed after SIX (6) MONTHS from the mailing date of this communication.
- If NO period for reply is specified above, the maximum statutory period will apply and will expire SIX (6) MONTHS from the mailing date of this communication.
- Failure to reply within the set or extended period for reply will, by statute, cause the application to become ABANDONED (35 U.S.C. § 133). Any reply received by the Office later than three months after the mailing date of this communication, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).

DETAILED ACTION

Summary

On January 19, 2006, an Office Action was sent to the Applicant rejecting claims 1-4. On July 17, 2006, the Applicant responded by amending claim 1.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

Claims 1-4 are rejected under 35 U.S.C. 102(e) as being anticipated by Shkedy (6,260,024)

Shkedy discloses a method for facilitating buyer-driven conditional sales purchase orders comprising providing a controller which allows a buyer to specify, via an electronic network, at least one term selected from the group consisting of minimum quantities the buyer would agree to purchase, minimum qualities the buyer would accept, the minimum length of time to which the buyer would agree to be bound to purchase said minimum quantities containing said minimum qualities, and the maximum or minimum price the buyer would pay, generating, based upon said buyer's prior specification of said at least one term a plurality of mutually created conditional original sales offers from a corresponding plurality of sellers, each of said plurality of conditional

Art Unit: 3691

original sales offers including said at least one term specified by said buyer and at least one term specified by at least one of said plurality of sellers, said at least one term specified by at least one of said plurality of sellers being a term not specified by said buyer, using said electronic network to transmit at least one of said mutually created conditional original sales offers to said buyer, and receiving via said electronic network said buyer's acceptance of said at least one mutually created conditional original sales offer (col.3, lines 39-65; col.12, line 55 to col.13, line 60—buyer specifies terms and seller specifies price and then mutually agree on the transaction); revealing to the seller the buyer's personal or financial information are the buyer accepts at least one original sales offer (col.18, line 35 to col.19, line 15); sales offers are conditional upon subsequent approval of the buyer's personal or financial information (col.3, lines 39-65; col.12, line 55 to col.13, line 60; and col.18, line 35 to col.19, line 15); and the buyer is not bound by the specification of terms (col.3, lines 39-65; col.12, line 55 to col.13, line 60—not bound if buyer does not accept maximum offer price).

Response to Arguments

Applicant's arguments with respect to claims 1-4 have been considered but are moot in view of the new ground(s) of rejection.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 3691

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
